

Cookbook of Activities for Driver Education

MT CURRICULUM GUIDE

M13

Objective: Understand the History of the Freeway System

INGREDIENTS

Internet hook-up to download information

INSTRUCTIONS

Have the students prepare a written report on the history of the freeway system. This can be done individually, in pairs or small groups.

A report should include answers to the following questions:

- What U.S. president is the interstate system named for?
- When did construction of the first freeway begin?
- What was the initial cost projection for the system?
- Were military consideration incorporated into the system?
- How was the numbering system established?
